Term 4 Week 5

Year 6 Camp

Last week our Year 6s went to Berry Sport and Recreation Centre for their Year 6 Camp. They had a brilliant time, learning so much about themselves and each other. Miss Jago, Mr Picker and the staff of the centre were unanimous in congratulating the students on their exceptionally supportive, courageous and positive attitude and behaviour. They impressed the staff so much that they were given a free zip line ride! Thank you very much to Mrs Berrell and Mrs Burrell for helping with transport and a very big thank you to Miss Jago and Mr Picker for giving up your time with your own families to make this experience possible for the children.

Kite Festival

A huge thank you to Mr and Mrs Hobbs, Mrs Bartlett, Mrs Burkitt and Ms Field for organising and running the pancake stall at the Kite Festival on behalf of the school. I know that this was a big commitment and it is fantastic for the P&C to be represented at community events like this. We are all really grateful for your time and effort.

P&C

Please make sure you return your uniform survey to school if you have not done so, regardless of how strongly you feel about the issue. We must have a very high response rate in order for the survey to be valid. We really appreciate your feedback about the possible changes and the issues will be discussed in detail at the next P&C meeting on Tuesday November 14. We will also be discussing priorities for the next school planning cycle and it would be great to have as many parents there as possible.

Swim School

This week swim school continues for students in Years 2-5. We have already seen a noticeable improvement in swimming and water confidence in many of the students. If your child is attending, please ensure they bring their swimmers, goggles, towel and a plastic bag every day.

Garungatch and Mirringan

Next Monday 13 November we will host a visiting performance of the indigenous story Garungatch and Mirringan performed by Alfie Walker and the Lieder Theatre. There is no cost to parents as we believe that this is a very special and important piece of theatre that all students should have access to. We are really looking forward to it!

Kinder Orientation

There will be two Kindergarten Orientation sessions for new 2018 students on November 22 and 29. Please let family and friends know who may be enrolling next year. For all enquiries contact the school office.

Marianne Powles
Principal

Important Dates

for your calendar or diary

Term 4

November

Mon 6-Fri 10	Swim Scheme
Tues 14	P&C Meeting 5.30pm

Year 6 camp - Berry Sport & Recreation Centre

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfege, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
