Term 1 Week 3

Last week students coped extremely well with the heat, staying cool and hydrated. Most students remembered their hats. Please ensure your child owns and brings a school hat each day so that they can play in the playground. Please also regularly check the name on the hat your child brings home as the younger ones sometimes accidentally take home someone else's hat. I would like to thank William Hobbs' family for donating iceblocks for all the children to help keep cool at this challenging time of year.

Fruit

In addition to crunch and sip, the school has begun providing cut fruit at lunchtime every day. This has been a great success, giving every child some extra energy for learning.

Meet and Greet

We look forward to welcoming all families tomorrow evening at 5.30pm for an opportunity to informally meet with your child's teacher and other staff as well as get to know some of our new families. We hope that everyone can join us for a BBQ and a chance to welcome the new school year together. For those who are unable to make it, each classroom teacher will also send home an overview of their year this week. Personal Learning Plan meetings will be scheduled for every family and if you have any questions or concerns please ring the office for an appointment with your child's teacher.

P&C meeting

The first P&C meeting of the year will follow immediately after this social event from 6.30pm tomorrow, 13 February. We would love to have as many parents there as possible to be involved in planning for the year.

Personal Learning Plans

We are in the process of organising meetings for each child, their family and their teacher to develop an individualised learning plan. If you are available during the school day, your half hour learning plan meeting will be scheduled during the day. Alternative times can be arranged as we would really like to meet with every family. Booking forms will begin going home this week with 1/2 having meetings on Monday 19 February and 2/3 meeting scheduled for Monday 26 February.

Swimming Carnival

Our whole school swimming carnival will be held on Tuesday 20 February at the Goulburn Aquatic Centre. We will take all our confident swimmers for championship events but there will also be lots of activities for our younger students and non-swimmers. We hope to have as many parents there as possible. Please contact the school if you are able to help with K-2 events.

District Swimming Carnival

This year's district swimming carnival will be held on Friday 23 February, only days after our school carnival. If your child is a strong swimmer please take note of this date. Permission notes for district will be sent home on the day of the school carnival.

School Photos

School photos will take place **this Wednesday** 14 February and envelopes went home last week. Money and envelopes can be dropped to school when convenient prior to photo day, or sent in with your child on the day. Please remember that the envelope goes straight to the School Photographer and the school does not manage this transaction.

The uniform for this photo will be our existing summer uniform—yellow shirt, green or grey bottoms and black shoes. Please only wear the new shirt if it is the only school shirt you have available.

FUSSY EATERS ...

If your child is a **fussy eater** don't despair!
Often this is just a passing phase.

Try some of these ideas:

- * Allow your child to choose from a healthy selection of foods for breakfast
- * **Involve your child** in the preparation of their lunchbox and after school snack.
- * Provide a **wide range of foods** and allow your child to **choose and serve themselves**.
- * **Serve dinner earlier** if your child is tired.
- * Provide a **calm and relaxed environment** and try to **eat together**.

Melodia Music at Marulan PS

Every Tuesday morning during term,
9.30am— 10:15am in the Community room
\$5 per child.

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfege, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
