Term 1 Week 4

Meet and Greet

Thank you for joining us last Tuesday evening for our Meet and Greet BBQ. It was a lovely informal event and a chance for new parents and teachers to catch up while the children played. Every family will meet more formally with teachers over the next few weeks for a Personal Learning Plan meeting. These begin today for 1/2 and continue next Monday for 2/3. Meetings for students in 4/5 will be on Monday March 5.

Swimming Carnival

Our whole school swimming carnival will be held tomorrow 20 February at the Goulburn Aquatic Centre. Our confident swimmers will have an opportunity to compete in championship events but there will also be lots of activities for our younger students and non-swimmers. We hope to have as many parents there as possible. Please contact the school if you are able to help with K-2 events or timekeeping.

District Swimming Carnival

This year's district swimming carnival will be held **this Friday 23 February**, only days after our school carnival. If your child is a strong swimmer please take note of this date. Students will need to be transported to this event by parents as there will not be a school bus. Permission notes for district will be sent home tomorrow after the school carnival.

GCOPS Rehearsal

Next Tuesday 27 February, students in Years 3 – 6 are invited to attend a rehearsal for the massed choir of the annual Goulburn Community of Public Schools concert. At this rehearsal, students will be introduced to the repertoire for this year. K-2 students will have an opportunity to participate in this concert as well but will not need to attend massed choir rehearsals. Please return GCOPS permission notes to school by the end of this week if you would like your child to participate in the massed choir.

P&C Trivia Night

At last week's P&C meeting, plans for a trivia night at the end of this term were confirmed. On Thursday 12 April, the students will be invited to attend a supervised movie night at the school, while parents and other community members are invited to a trivia night at the Marulan Hall. It should be a great night as well as a fundraiser for our school. For anyone interested in assisting in planning for this event there will be a meeting this afternoon at 4.30pm in the school community room. Everybody is welcome.

Last week our P&C President David Bartlett resigned from his role. I would like to thank David for all his hard work and he will be greatly missed. The next P&C meeting will be on Tuesday 13 March at 5.30. At this meeting the P&C will elect a new president. All financial members of the P&C are eligible to vote.

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfege, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
