Term 1 Week 8

Harmony Day

Today we celebrated Harmony Day. Students worked together in peer groups researching a chosen country. Then all came together to share their cuisine in a street festival under the CO-LA.

Students placed their donated coins in a coin line totalling \$131. These funds raised will be donated to UNICEF Australia's Papua New Guinea Earthquake appeal to support children and their families affected by the devastating earthquakes that took place in February this year.

Debating workshop

On Thursday some students will be travelling by private transport to Bowral PS for a debating workshop with Ms Pryor.

This workshop will prepare students for an upcoming debating competition in the highlands and also provide valuable strategies for critical thinking and persuasive writing.

Grandparents Day

Our annual Easter Hat Parade and Grandparents Day event will be held this year on Thursday 29 March. As usual, we will ask that grandparents, family and friends come into classrooms in the morning to help children make their hats with resources provided by the school. We don't want Easter hats to be made at home and brought in on the day as part of the fun is making them all together. Please make a note of the date and invite grandparents and friends to join us for the parade, cake stall and a sausage sizzle lunch.

Cake Stall

The school asks for donations of cakes and slices to be sold at our morning tea on Grandparents' Day, Thursday March 29.

All cakes and slices can be left at the office on the day. We thank you in advance for your assistance.

Harmony Day Celebration at MPS

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfege, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
