April 3, 2018

Term 1 Week 10

Grandparents Day

Congratulations staff, students and families on a wonderful Grandparents' Day celebration. It was such a pleasure to see the children enjoying sharing their school with their families and making such creative hats. It was also great to welcome our friends from the Marulan Pre-school to join in the fun.

Athletics Carnival

Our annual school athletics carnival is scheduled for Wednesday 11 April and will be held at the Marulan Soccer Fields. We will start with junior students' races (5,6 and 7 year olds) and then begin the championship events, which are for students turning 8 this year and older. Parents are very welcome to join us and cheer the athletes on.

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfege, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
