Term 1 Week 11

Athletics Carnival

Our annual school athletics carnival is scheduled for this Wednesday 11 April and will be held at the Marulan Soccer Fields. We will start with junior students' races (5,6 and 7 year olds) and then begin the championship events, which are for students turning 8 this year and older. We will return to school by 1pm where we will have a sausage sizzle lunch for those who have ordered one. Please ensure that your child has some healthy food for crunch and sip and morning tea as this lunch is later than usual. It is also important that all students have lots of water, sun screen and a hat as it is going to be a hot day. Parents are very welcome to join us and cheer the athletes on.

Cross country carnival

This year the cross country carnival will be held on Friday 4 May which is the last day of Week 1 Term 2. Junior students aged up to 7 years will have their cross country carnival at school while students turning 8 this year or older will travel to Wollondilly PS by bus for a cross country run with Goulburn East PS and Goulburn PS. Parents are very welcome to attend. A note has gone home and needs to be returned by Wednesday May 2.

Next Term

From day 1 next term I will be taking up a new position as Arts Programs and Partnerships Coordinator at the NSW Department of Education's Arts Unit in Sydney. This is a very exciting opportunity and I am thrilled to have been given the chance to contribute at this level. I have loved my time at Marulan and will greatly miss the gorgeous, cheeky, determined, compassionate children and the magnificent staff, who work so tirelessly for this school. I am incredibly proud of what we have all done at Marulan Public School and very confident that the school's future is very positive.

There will be a relieving principal appointed from the beginning of next term and we will let you know who that person is as soon as we have the information.

The teachers will meet on Monday 30 April for a staff development day and the students return on Tuesday 1 May.

This week, Mrs Jago-Pope has begun a short period of long service leave. For the first few weeks of Term 2, 5/6 will be taken by Mrs McKellar on Mondays and Mr Picker from Tuesday to Friday. We are very lucky that these two regular teachers will be able to cover Mrs Jago-Pope's leave so that there will be minimal disruption to 5/6's normal programs. We look forward to Mrs Jago-Pope's return in Week 5 of next term.

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfege, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
