Term 2 Week 1

Cross country carnival

The cross country carnival will be held this Friday 4 May. Junior students aged up to 7 years will have their cross country carnival at school while students turning 8 this year or older will travel to Wollondilly PS by bus for a cross country run with Goulburn East PS and Goulburn PS. Parents are very welcome to attend, please note there is no parking on the school grounds at Wollondilly PS or The Crescent School. Students will return to school around 2pm. If you are yet to do so, please complete the permission note and return it to school with payment tomorrow May 2.

GCOPS T-shirts

All students participating in the GCOPS massed choir are required to wear a GCOPS choir shirt. Order forms were sent home with students last term. Please complete your order form and return with payment to school by this Friday May 4th. If you require another order form, please contact the office.

Anzac ceremony

Today we commemorated ANZAC Day by holding a memorial ceremony. The students demonstrated respectful and attentive behaviour for the occasion lead by our school leaders. Annamikka and Taqwa laid a wreath beneath the National and Aboriginal flags.

Temporary fencing

Temporary fencing has been erected around the admin building and the student toilets for works that will commence in the next couple of weeks. There is minimal disruption to the pedestrian footpath but we ask for all to proceed with caution around both buildings.

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfege, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
