## Regional Cross Country

Congratulations to our amazing cross country runners. All three girls put in their best efforts and had a great day. Special congratulations to Jess for placing second in her event. We wish her the best as she prepares for the NSW All Schools cross country at Eastern Creek early Term 3.

## Health notification

The school has been notified of a few cases of conjunctivitis. If your child has symptoms of conjunctivitis, best practise is for your child to stay home while there is discharge from the eye, unless a doctor has diagnosed a non-infectious cause.

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

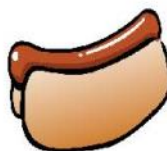

Fresh ways of teaching solfège, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
