Term 2 Week 8

## Contacting the school

Whilst we are encouraging parents to use the see-saw and dojo apps, we ask for all important calls/ last minute arrangements or after school arrangements please be made by calling the school office. If the office is unattended there is an answering machine for messages to be left. Messaging your child's teacher direct may lead to the message not being passed on due to teaching/supervising commitments.

## Motor Neurone Disease Association

Friday 6 July will be Mufti day. Students are asked to bring a gold coin donation and to wear blue clothing. Cupcakes will be available, ranged from 50c to \$1. There is also the opportunity to purchase a Blue Cornflower pin for \$2. All proceeds will go to The Motor Neurone Disease Association to help provide the best possible care so people can stay at home. The money also goes towards further research in MND.

If you would like to donate some cupcakes on the day, it would be much appreciated.

## Debating Team

Last Friday our school debating team travelled to Moss Vale to compete in 2 rounds of debates. The first topic was 'The Media' against Year 5. The second topic was about 'Health and Fitness' against Year 6. The debating team put forward some great arguments in both rounds and are looking forward to the next 2 rounds this Wednesday at Marulan PS against Burrawang and Crookwell.

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfège, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
