## Motor Neurone Disease Muffi Day

This Friday students are asked to wear an item of blue clothing and to bring in a gold coin donation. Cupcakes will be available to purchase ranged from 50c to \$1. There is also the opportunity to purchase a Blue Cornflower pin for \$2. All proceeds will go to The Motor Neurone Disease Association.

A special mention to

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfège, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
