Education Week Open Day

August 6-10 is Education Week. On Wednesday August 8, we will be holding an Open Day. Classrooms will be open between 10:45-11:15 for families to experience what their children are learning and creating at school. This will then be followed by a picnic lunch (supplied by families) from 11:15-11:40am. All families are welcome to come along and attend.

Take Off Program

On Monday we commenced our pre-school program for children starting Kindergarten at Marulan PS in 2019. It was great

to see so many happy faces. Miss Tickner is looking forward to seeing you all next week. Tell your friends about this fantastic program.

Playgroup

It was great to see mums and bubs attend our first Playgroup session for 2018. Janet Gordon from Goulburn Mulwaree council came and guided the session with a story, fruit break, singing and a craft activity. By all accounts, it was an enjoyable morning. Our next playgroup session will be on Friday August 10, from 9:30am—11am.

Buy a Bale Fundraiser

On Thursday August 30 we will be having a fundraiser for 'Buy a Bale'. Students have the opportunity to come to school dressed as a farmer for a gold coin donation. Money raised will go towards helping Australian farmers feed their livestock and offer support to get them through this tough time.

Playgroup

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfège, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
