## 2019 Captains Speeches

Next Monday students from Year 5 have the opportunity to obtain a leadership position for 2019. These students will be making their speeches on why they believe they would be suitable for Captain, Vice Captain or Prefect. Speeches will begin at 9am in the COLA with families invited to attend.

## Special Assembly

Throughout the year students participated in The Premiers Sporting Challenge and The Premiers Reading Challenge. We will be holding a special assembly on Monday December 3 at 2:40pm to congratulate students on their achievements and to present their certificates. Family and friends are welcome to attend.

## A Message from our Principal

Marulan Public School belongs to a close, supportive local community and appreciates the active participation of parents and community in our school. As Relieving Principal of Marulan Public, I am responsible for whole school decision-making that supports the efficient and effective operations of the school. Teaching and learning are our priorities and as is the case every year, decisions have been made in regard to staffing and rooming for 2019. The needs of the school change every year depending on the needs of the students, staff and the curriculum. Flexible and dynamic operational decisions reflect this changing environment in which our students learn and our staff teach. The school will maintain whole school resources including a research, technology and library facility.

The NSW Department of Education and Marulan Public School welcomes your feedback. The link below provides detailed information about how this feedback can be received:
