Term 1 Week 6

Premiers Reading Challenge

MPS will again be involved in the Premiers Reading Challenge. The challenge aims to encourage a love of reading for leisure and pleasure in students and to enable them to experience quality literature. It is not a competition but a challenge for each student to read, to read more, and to read more varied texts. The Challenge opened on Monday March 4 and will close on August 30. More information will be available to students over the coming weeks.

District Swimming Carnival

Last week several students competed in the PSSA District Swimming Carnival. Our students displayed exceptional behavior and represented MPS beautifully. A special mention to Brock Bartlett whom made it to the Regional Carnival to be held next Wednesday. Well done and good luck Brock!

Clean Up MPS Day

As parents may be aware, our Clean Up MPS Day was postponed on Friday due to a snake being in the school grounds. We will be rescheduling for another date and will inform parents once it has been decided.

GRIP Leadership

On Monday our school leaders and prefects along with Mr Copland attended the GRIP Leadership day in Goulburn. Students gained information on how to enhance their skills and to better themselves in their leadership roles.

The Big Read Bus

A reminder for parents and students that The Big Read Bus will be visiting tomorrow. If you have any Goulburn Mulwaree Council library books, you are able to return them to the bus. If students are wanting to borrow, they will need to be a member of the GMC library. If you would like a membership form to complete, please contact the school office.

Private Car Travel—school events—amendment

We apologise for misinformation that was printed in last weeks newsletter. The correct information is written below:

It is **Department of Education** requirement that the school sight a current drivers license and registration papers for all private transportation of children to school events.

That means when a parent or caregiver transport's their child to any event, i.e. swimming carnival or other excursion, prior to the child attending said excursion you must bring the paperwork into the office for sighting (one time per year).

Parents/Caregivers are also required to complete an **Appendix 5** (forms are available from the office) if transporting their own child. If Parents/Caregivers are transporting another child they will also require a Working With Children Check declaration (WWCC).

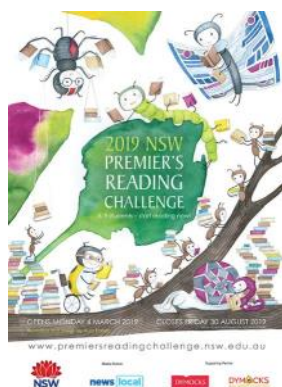

Please contact the office for any assistance you may require in completing and Appendix 5 or applying for the WWCC declaration.

The school is required to sight the above requirements prior to you taking your child to a school event.

These procedures will be enforced by the school as of Monday March 11, 2019.

Fitness

As part of our curriculum we participate in fitness activities Monday to Thursday mornings between 9am and 9:30am. We ask that students are encouraged to wear comfortable footwear to be able to enjoy doing physical activity at these times.
