Term 2 Week 5

## PSSA Soccer Knockout

Today our school soccer team braved the extremely windy weather to play the first match of the Small Schools Soccer knockout competition against Mt Keira PS at home. Conditions were tough but great sportsmanship was shown by both teams. Mt Keira won the game 4-1. We wish them well in upcoming matches.

## Athletics Carnival

Our annual School Athletics Carnival was held last week. We were lucky to have great weather to enjoy the day. Students showed amazing determination and sportsmanship towards peers. Students whom have made it to the District Athletics will receive permission notes soon.

## The Big Read Bus

A reminder for parents and students that The Big Read Bus will be visiting tomorrow. If you have any Goulburn Mulwaree Council library books, you are able to return them to the bus. If students are wanting to borrow, they will need to be a member of the GMC library. If you would like a membership form to complete, please contact the school office.

## Kindergarten Enrolments for 2020

Our Kindergarten enrolments have begun for 2020! If your child is turning five years of age on or before July 31 2020, and you live in the area, your child is eligible to enroll. Feel free to come into the office or call the school on 4841 1573, for more information.

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

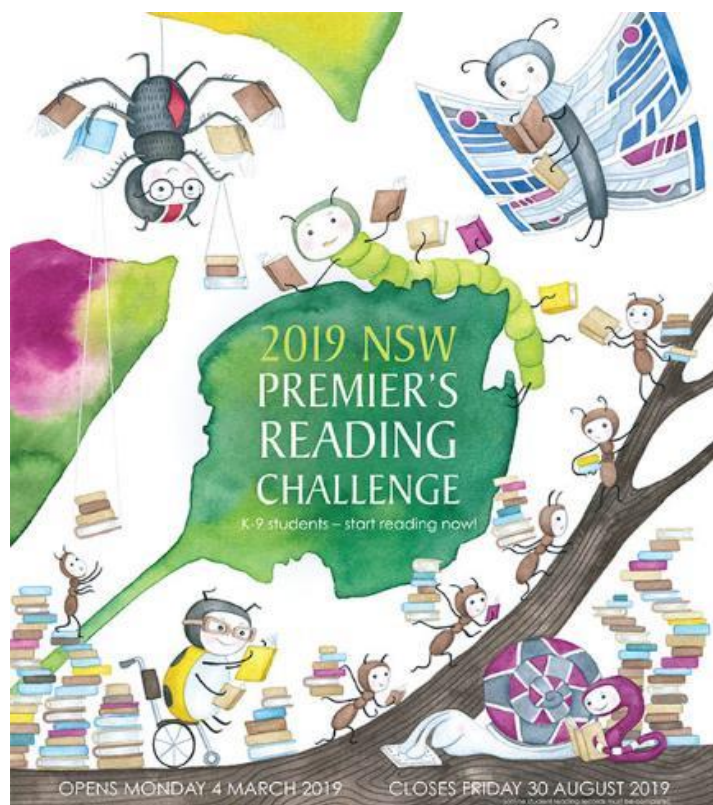

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfege, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
