Term 2 Week 4

Regional Rugby Trials

Last Friday the Regional Rugby Trials were held in Goulburn. Our school was represented by Kaiden of 4/5/6JP as part of the Tablelands Zone team. Well done Kaiden for getting to this level and gaining valuable experience for next time.

Athletics Carnival

Our annual School Athletics Carnival is scheduled for this Friday May 24 and will be held at the Marulan Soccer Fields. Students will walk down to the soccer fields accompanied by staff at approximately 9:30am. We will start with the junior races and move onto the championship events, which are for students turning 8 this year. Parents are very welcome to join us and cheer on all athletes! CWA lunch orders will still be available and will be served later than usual when we return to school.

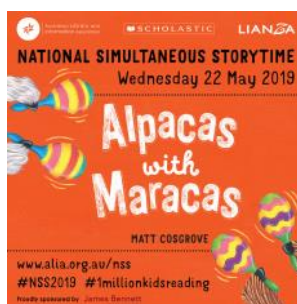

Tallong Apple Day

Students collaborated with Mr Picker, Duncan McCauley and Shannon Hobbs in creating a magnificent sculpture and entered into the Sculpture section at the Tallong Apple Day on May 5. The sculpture is called 'The Apple Thief' and refers to both the crow and the 1965 Chatsbury-Bungonia Fires. We are very proud to be the winners of the Primary School division of the competition. Well done to everyone involved with this amazing creation!

National Simultaneous Storytime

Now in its 19th successful year, this fun event aims to promote the value of reading and literacy using an Australian children's book. The picture book selected for this year was "Alpacas with Maracas" written and illustrated by Australian author Matt Cosgrove. Students and staff joined the national live stream at 11am to enjoy this story.

Kindergarten Enrolments for 2020

Our Kindergarten enrolments have begun for 2020! If your child is turning five years of age on or before July 31 2020, and you live in the Marulan Public School zoned area, your child is eligible to enroll. Feel free to come into the office or call the school on 4841 1573, for more information.

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

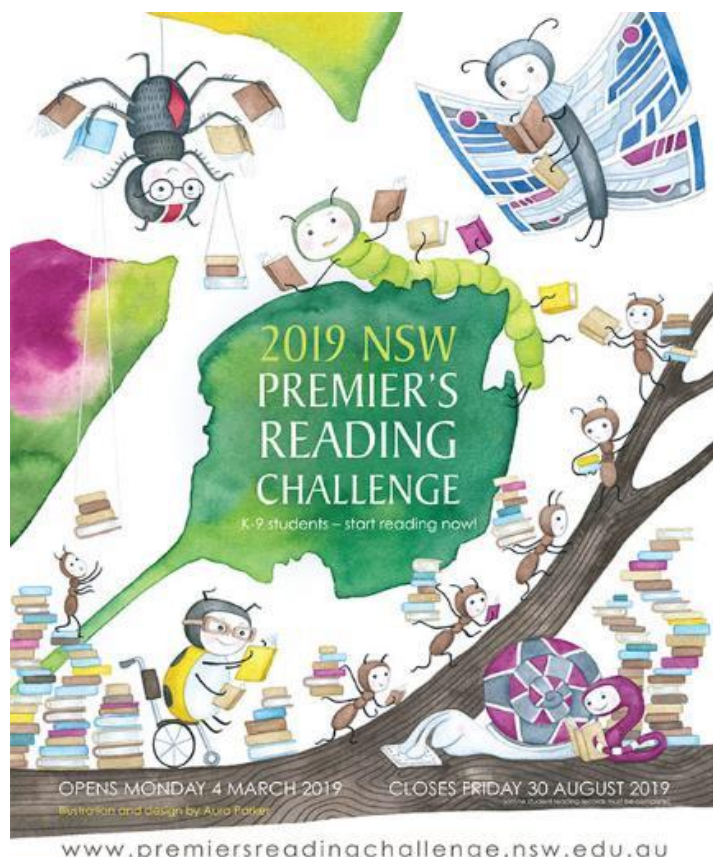

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfege, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
