Term 2 Week 6

Pop-up Canteen

Today was our second pop-up canteen. Students really enjoyed having the opportunity to purchase sultanas, cheese and crackers, popcorn, wraps, fresh fruit cups, corn cobs, pizza scrolls and more items from the canteen style set up. We are hoping to hold this event throughout the year to continue to raise funds through the P&C. The next pop-up canteen will be held in Week 9.

Regional Cross Country

This Friday, Daisy Hassan from 3/4P will represent our school at the Regional Cross Country at Cambewarra Mountain. Good luck Daisy, we wish you all the best!

Kindergarten Enrolments for 2020

Our Kindergarten enrolments have begun for 2020! If your child is turning five years of age on or before July 31 2020, and you live in the area, your child is eligible to enrol. Feel free to come into the office or call the school on 4841 1573, for more information.

Newsletter paper copy opt-in

To reduce our environmental footprint, in Term 4, 2018 we gave parents the option to opt-in to receive a paper copy of the newsletter every week. The newsletter is currently uploaded Wednesday afternoons to the school website and also added to the SkoolBag app. If you are wanting to 'opt-in' or are no longer wanting to receive a paper copy, please call the office and we can amend our list.

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfege, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
