Term 2 Week 8

Debating Team

On Monday our debating team consisting of Bernadette, Mackenzie, Lilyana and David travelled to Braidwood to compete against Braidwood and Bungendore Public Schools. The topics were 'Should homework be banned?' and 'Should schools ban the use of technology for teaching purposes?' Our students did an amazing job in putting forward their arguments and rebuttals, being narrowly defeated in both debates. Well done!

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfege, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
