## Quota Public Speaking Competition

Last Wednesday night, Mackenzie competed against 7 other schools in the Quota Club of Goulburn Primary Schools Public Speaking Competition at Goulburn North Public School. Mackenzie chose the topic 'Grown ups are a weird species' and displayed a very mature attitude to the overall event. Well done Mackenzie, we are very proud of you!

## Touch Footy Gala Day

Students from years 3-6, who chose to participate, travelled to Goulburn with Miss Parker and Mr Picker last week to join in the Touch Footy Gala Day with other schools from the Goulburn area. All students displayed great sportsmanship and gained valuable skills.

## K-2 Pet Ownership Program

Last Thursday students from K-2 were very fortunate to take part in the Responsible Pet Ownership Program. This is a program run by the NSW Government to teach young children how to behave safely and responsibly around pets. Students enjoyed this hands on experience and took away some valuable knowledge about how to interact with dogs.

## Take Off

On Monday, Kindergarten students starting in 2020 had their first Take Off session. It was a fun filled hour with future students being introduced to the big school environment. We look forward to them joining us again next week.

## Book Week Parade and Book Fair

Today we celebrated Book Week by holding our annual Book Week Parade and Fair. Students had a great time dressing up as a character from a book and being able to purchase books and stationary from the book fair. It was encouraging to see so many family members and friends attend this event and joining in on the fun! Thank you to the P&C, Marulan Bakery and Marulan IGA for their support of this event.

## 3-4 & K6K AIS Excursion

Tomorrow students from years 3,4 and K6K will travel via bus to The Australian Institute of Sport in Canberra. Students will need to bring a packed lunch, extra snacks and a water bottle. Students are to wear sports uniform. **Please ensure students are at school no later than 8:45am for an on time departure at 9am. Students will be returning at approximately 4pm. The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfege, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
