Term 3 Week 9

Regional Athletics Carnival

Last Friday Josie, Jerome and Taylor travelled to the AIS in Canberra to represent MPS in the Regional Athletics Carnival. All three students tried their hardest and gained great experience making it to this level.

Well done!

Milo Cricket Gala Day

Due to the inclement weather, the cricket gala day scheduled for yesterday has been postponed until early in Term 4, with the proposed date of Tuesday October 22, 2019.

K-2 Dinosaur Museum & National Arboretum Excursion

This Friday, students from K-2 will travel to Canberra to visit the Dinosaur Museum and National Arboretum. Students in KT & 1/2H have been studying Dinosaurs as part of their curriculum. Students will need to wear full school uniform including their school hat, bring a packed lunch, morning tea and plenty of drinking water. There will be no opportunity to purchase souvenirs, please do not send spending money with your child. *Please ensure all personal items are clearly labelled with your child's name.* Students will need to arrive at school by **8:45am** to ensure an on time departure of 9am. The coach is expected to arrive back to school at 3:30pm. *Any changes to return time will be updated via SkoolBag or Seesaw.*

Uniform Questionnaire

Thank you to the families who completed and returned the uniform survey regarding the colour of students' skirts, shorts and long pants. The results of this survey will be discussed at the next P&C meeting, Tuesday 24th September.

Footy Colours Day

Footy Colours Day is a national fundraising campaign held during the month of September where participants are encouraged to wear their favourite team's colours. It may be AFL, NRL, Soccer or Rugby union! We will be hosting our day next **Friday September 27**. Students will be able to wear footy mufti clothes for a gold coin donation.

Kite Festival

All students attending the Kite Festival on Sunday are to take their decorated kites with them on the day.

Year 5-6 Camp

Just a reminder that camp must be paid in full by **Friday September 27, 2019**. If you may require an extension, please contact the office. Students attending camp have received information regarding their medical consent form. This information needs to be completed online prior to attending camp and is due by Monday October 14.

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfege, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.

Compulsory School Attendance

Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The *Education Act 1990* requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and Educational Standards for homeschooling.

Once enrolled, children are required to attend school each day it is open for students.

The importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An *Application for Extended Leave* may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

My child won't go to school. What should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education and Communities may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department

may apply to the Children's Court for a *Compulsory Schooling Order*. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

Working in Partnership

The Department of Education and Communities recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

If a student misses as little as 8 days in a school term, by the end of primary school they'll have missed over a year of school.

Further information regarding school attendance can be obtained from the following websites:
