Term 3 Week 10

## K-2 Dinosaur Museum & National Arboretum Excursion

Students from K-2 travelled to Canberra last Friday to visit the Dinosaur Museum and National Arboretum. The National Arboretum was their first stop, where they had their lunch and were able to discover and play on the pod playground. Everyone then travelled to the Dinosaur Museum. Students had a great time being able to make their own fossils, have hands on experiences and learn interesting facts about dinosaurs. All students displayed exceptional behaviour, a special mention to Kindergarten for their fantastic behaviour on their first excursion! It was a fun day for all. For more photos please see our Facebook page or visit our school website.

## Uniform Questionnaire Result

The results of the survey were discussed at yesterday's P&C meeting. The decision was made to wear black skorts, shorts and long pants 5 days a week. 74% of the surveys returned, indicated black bottoms as the preferred colour. We will be phasing this in for the remainder of 2019 and 2020. If you have any questions, please feel free to contact the office.

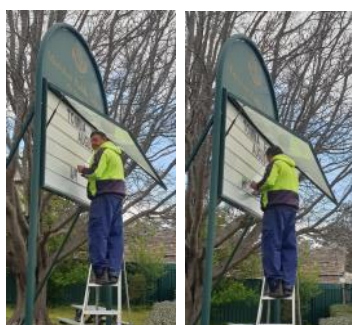

## Footy Colours Day

Footy Colours Day is a national fundraising campaign held during the month of September where participants are encouraged to wear their favourite team's colours (It may be AFL, NRL, Soccer, Rugby union). We will be hosting our day this **Friday September 27**. Students will be able to wear footy muffi clothes for a gold coin donation.

## Sign board—Watch this space!!

Our MPS sign board was kindly donated by Readymix in 2007. Each week either Mr Tony Hage, Mr Col Glacken or Mr Jason Divall have updated it with upcoming events and notifications for our parents and community to read. During the coming weeks we have some exciting upgrades coming to this area.

## Spring Break

We would like to wish all our students, staff and families a happy, relaxing spring break. We look forward to seeing everyone return on Monday October 14!

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfege, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.

## The simplest way

... to pack a healthy lunch box

The average school child will eat more than 2,500 lunches during their 13 years at school.

Cancer Council's website [healthylunchbox.com.au](http://healthylunchbox.com.au) is a one-stop-shop for everything families need to know about packing a healthy lunch box.

Parents will find information on the five food groups, what constitutes a healthy lunch box, sandwich alternatives, sandwich filling ideas, snack ideas, swaps for unhealthy snack foods, recipes and tips. The website features an [interactive healthy lunch box builder](http://healthylunchbox.com.au) where parents can get their kids involved in planning the lunch box and choosing foods they will eat and enjoy.
