Term 3 Week 4

Education Week Open Day

Last Wednesday, we held our classroom open day and picnic lunch for Education Week. Students were eager to share with their families what they have been learning and creating at school. It was great to see so many families attend this special day.

Police Dog Display

On Thursday we had the privilege to have the Police Dog Unit come to visit our school. This consisted of 1 dog and 1 puppy. Students got to see how a police dog is trained, they were able to ask questions and were lucky enough to be able to have a pat. Everyone had a very exciting time.

Gymnastics

Last Friday was the beginning of Gymnastics for our sport curriculum. All students had a great time learning some new ways to move their body. Gymnastics will not be on this Friday, it will resume in Week 6 (August 24)

Personal Learning Plans

This week our Teachers are conducting Personal Learning Plans along with students and parents. If you are yet to have a meeting, please contact the office on 4841 1573 to arrange a time.

We are holding our Book Week celebrations on Wednesday August 22. The theme for this year is 'Find your Treasure'. Students are encouraged to dress as a character from a book of their choice. There is the opportunity to purchase books and novelty items starting in price from \$1. Assembly will begin at 9:15am, hosted by 2/3 followed by our book parade.

Doing It For Our Farmers

As well as having our 'Buy a Bale' fundraiser day, we will also have a collection box in the office for non perishable food and toiletries to be donated to farmers who often do without in order to stretch their money to provide feed for their hungry stock. The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfège, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.

Term 3 update.

Helping kids to be Super Savers with School Banking.

How teaching your child money skills can fit into your everyday life.

There are many ways you can help your child learn the value of money in real-life situations. As a busy parent, it's a good idea if you can incorporate simple money lessons into your everyday routine, like at the supermarket.

Here's 3 lessons you can share with your child next time you shop:

- 1 Before you go to the supermarket, ask your child to help you write the shopping list and then organise the items into two columns: Needs and Wants. Then whilst you do the shop, let them tick off the items as they go to help reinforce the idea. They'll quickly start to understand the value of the items they really need.
- 2 When buying items at the supermarket, you can explain to your kids how items are priced and that you can get cheaper or more expensive versions of the same product. This is also an opportunity to discuss how you can shop around for the best price and sale items.
- 3 Let them choose an item they can buy using different coin combinations to practice their money skills in the real world.

Term 3 Super Savers Reward Items.

To encourage the habit of saving regularly, children can redeem a reward after they've made 10 School Banking deposits. Two new reward items are available in Term 3 (while stocks last):

- Mighty Boom Handball
- Heat Reactor Pencils (pencils change colour with heat)

Keep saving for a chance to win a family trip to Hawaii.

"This is a wonderful thing to do. About 20 years ago we were in a severe drought and we were all desperate. Sydney organise a care package of toiletries to be sent out to the farmers wives. I was one lucky person to receive one of these. I never thought I was depressed until that moment. I cried and cried. It meant so much. Even to this day it still brings tears to my eyes."
