Term 2 Week 7

After school care

After school care runs from 3:00pm—4:30pm, Mon—Thurs. Please contact the school if you would like your child to be placed in after school care. If you require your child/children to stay till 5pm, please contact Jess direct.

District Athletics

Our team of athletes took part in today's PSSA District Athletics carnival in Goulburn. All students are to be commended on their behaviour, enthusiasm and support of one another. Despite the cold weather, there were many personal best achievements.

Melodia Music

Melodia will continue every Tuesday this term from 9:30am—10:15am. Keva Abotomey from the Goulburn Regional Conservatorium will take the class in Blake's absence. If you have pre-school age children, or know of anyone not connected with our school who may be interested, please pass on the information of great musical sessions here at Marulan PS on Tuesday mornings.

P&C

All families are welcome to attend the AGM at 5:30pm today to form a committee for 2018/2019 and the general meeting shortly after. P&C is a great way for parents to come together to raise much needed funds for our school. If you are interested in being part of the P&C committee, come along to this afternoon's meeting.

Make Each Minute Count

A child who is late to school each day by as little as 10 minutes will miss more than 1 week of school each year. This accumulates to a terms worth of learning during the Primary years.

The Goulburn Regional Conservatorium's early childhood music classes for family day cares, preschools and child care centres.

Music education is a very important part of early childhood education. Various studies have shown that music helps children learn more effectively. The GRC's aim is to provide high quality Early Childhood Music classes that are engaging, energetic and FUN!

Melodia is an interactive instrument-based program designed around the Early Years Learning Framework of play-based learning. Each week children are taken on a musical journey exploring the core concepts of music through musical games, singing, dancing, fun puppet friends, and a wide range of musical instruments that are cycled through weekly.

Fresh ways of teaching solfege, pitch, rhythm and dynamics techniques all revolve around live music and play which creates a fun and developmentally appropriate music program for the 0-7 year age group.

For more information about the Melodia early childhood music program, please ask your child care provider or contact the Goulburn Regional Conservatorium.
